No: ~~610~~ 700 Enclosure No: 2.

Subject.

Requesting to move Government to accor
sanction to the proposal in re: the
conversion of the Travellers' Bungalow at Hassan
as the Civil Hospital.

Town Municipal Office,

H a s s a n.

Dated 11th December 1923.

From

H. Borannah Esquire,

President,

Town Municipal Council,

H a s s a n.

To,

B. Nagappa Esquire, Bar.-at-Law.,

Secretary to Government,

Local and Legislative Departments,

B a n g a l o r e.

Sir,

In forwarding herewith a copy of the resolution of the Hassan Town Municipal Council at their meeting held on 30-11-1923 in re: the conversion of the Travellers' Bungalow at Hassan as the Civil Hospital, together with a copy of the letter of Mr.H.V.Rangaswami the mover of the subject, I have the honor to state as follows :-

As it is, the Civil Hospital is at the southern corner of the Town and people have got strong sentimental objections to go to that building. The Fever Hospital is proposed to be constructed in the Santhé Mala farther south and if this fructifies, the Santne will have to be shifted to some other place and there is no other ground available therefor.

2. Regarding Travellers' Bungalow being converted as Civil Hos-pital, the central situation of the Travellers' Bungalow Building, (taking into consideration the whole Town including the Northern & Eastern Extensions), the proximity of District Medical Officer's Quarters thereto and the sites available for the location of the Fever Hospital and residential Quarters for the Hospital Assistants are points deserving of consideration. The situation of the Travel-lers' Bungalow also compares more favourably with the present Civil Hospital Building from sanitary point of view.

3. By shifting the Travellers' Bungalow to the Civil Hospital Building, both the Buildings lend themselves very well for their respective proposed purposes. The Travellers will not be denied any

of

of the comforts and conveniences to which they are entitled; as they will be much better off and the fact that the First Class Sanfir-khana will be just opposite would also be a point in favour of the proposed change.

4. I may further add that the monies which will be available to effect necessary improvements to the present Civil Hospital Building, may, with advantage be utilized to effect the same in the Travellers' Bungalow compound and its vicinity.

5. On a consideration of the foregoing circumstances, I request you to be so good as to move Government to accord sanction to the proposal.

I have the honor to be,

Sir,

Your most obedient servant,

H Boraunah

President,
Town Municipal Council,
Hassan.

To,

The President,

Municipal Council, Hassan.

Sir,

The construction, improvement, location of the Civil Hospital has been engaging the attention of the Government and Local Bodies for a long time and it is high time that some early action is taken in the matter. We have been called upon from time to time to contribute monies and all attempts end in doing some patch work which will be naturally unsatisfactory. The District Board has given a liberal contribution for the Fever Hospital and Rs.3000/- for a Maternity. Rs.5000/- is available from the sale of the L.F.Dispensary Building. The Municipality has contributed a thousand and odd to the Fever Hospital. If all this is pooled up we will have a respectable sum. By spending this amount and the Government contribution, we will at best be able to do some patch work to the existing Civil Hospital and put up a building for the Fever Hospital in the Santhe Mala. The distance between the two will make the administrative control rather unsatisfactory. After all sentiment plays a large part in the affairs of the world and the more so when we consider the mentality of the suffering patients. To ignore this is not wise policy. Having all this in my mind I proposed :-

That the Travillores Bungalo be made available for the Hospital, the former being shifted to the Civil Hospital Building, If the Government is agreable to this, then the Municipal Council do place the OctroiKatte and the land behind, for the Civil Hospital, which together will cost Rs.10,000/- in lieu of the contribution asked for by the Senior Surgeon.

I have to remain,

Sir,
Your most obedient servant,

Sd/ H.V. Rangaswami,

Municipal Councillor.
20/10/23.

The Senior Surgeon with the Government of
H. H. the Maharaja of Mysore,
Bangalore.

Rec'd 5-23-63

The Secretary to Government,
Local & Legislative Departments,
Bangalore.

SIR,

With reference to your Memo No.L.7412/Med.5-23-51, dated the 17th March 1924, forwarding for my opinion, the petitions from the residents of Hassan, anent shifting the District Hospital ~~at~~ the place to the Travellers Bungalow, I have the honour to forward the enclosed copy of my D.O.No. C.2031-1, dated 31st March 1924, to the President, District Boad, Hassan, furnishing my opinion on the subject.

I have the honour to be, Sir,
Your most obedient servant,

Senior Surgeon

BVA/16.4

D.O.Letter No.C.2031-1 dated 1-4-24 from the Senior Surgeon, to The President, District Board, Hassan.

With reference to letter No.C.2031 dated 28-3-24 from my Personal Assistant, I regret my inability to attend the meeting of the Sub Committee before the Medical School Examination is over.

In my opinion, we are wasting our valuable time in merely discussing the question of a new site for a hospital when there is no cash available for constructing it. A new hospital on modern lines will at least cost us a lakh of rupees, towards which we have only a sum of Rs.12,000 at hand. It is not likely that Govt.will contribute their quota for a new hospital just now when there is so much of financial stringency.

In the meantime our duty to the people of Hassan necessitates our providing them with adequate medical relief without any further loss of time

However much I sympathise with your movement for shifting the District Hospital to a central situation to suit the convenience of all the people of Hassan including those in the new extensions, the present moment does not seem to be opportune. We must abide our time.

The only practical solution that suggests itself to me is to give up the idea of building a new hospital at present, and to improve the present hospital and add two or three wards to increase th accommodation for general and Maternity cases. There is no decent female ward at present. Female patients are treated in two rooms adjoining the dispensary block. A separate ward for eight female patients is enough for the present. There is no accommodation for maternity cases. Another ward with eight beds will meet this requirement. The accommodation for male cases both medical and surgical is not at all sufficient.

The plan and estimate made to meet all these requirement at a cost of Rs.35,000 at my suggestion may be accepted by the Dist. Board and the work commenced at once with the sum available at present.

29

The Government have been asked to contribute their quota towards the cost of these alterations and additions. When the work is started, there will be no difficulty in getting the necessary funds from Government.

I would therefore advise you to commence the work at once.

The travellers' bungalow buildings are not at all suited for a hospital. The rooms are dingy and dark without any proper ventilation. The five rooms available are not suited for Wards or for out-patient work. The site is no doubt central but new buildings will have to be put up for the combined dispensary operation theatre, and male and female wards, store rooms, kitchen, post mortem room etc., Besides there is not sufficient free space adjoining it for future expansion. All these things will have to be considered before thinking of shifting the present hospital.

My going to Hassan just now will serve no useful purpose beyond repeating all I have said in this letter.

I would therefore request you to reconsider the subject in the light I have put before you and to send me your decision. If my going there is absolutely necessary, I shall make it convenient to visit Hassan after the Medical School Examination is over.

Rec'd 23 MAY 1924

Rec'd 5-23-71

M. Nagappa, Esq., Bar-at-Law,

Secretary to the Government of His Highness the Maharaja of Mysore, Local and Legislative Departments, Bangalore.

Sir,

Rec'd 26-5-24

In continuation of my letter No. C.973-23/O.C. dated 20th December 1923 and with reference to your letter No. [illegible] 5-23-50 dated 17th March 1924, I have the honour to forward herewith for the information of Government, copies of (1) letter No.3484 dated 10th March 1924, from the District Medical Officer and (2) letter No. C.3051-4 dated 12/13th May 1924 from the Senior Surgeon in Mysore with its enclosures, in the matter of shifting the District Hospital at Hassan from its present site.

2. From the District Medical Officer's letter and also from the Senior Surgeon's letter No.C.3051-1 dated 21st March 1924 to the President, District Board, Hassan, it would appear that the shifting of the Civil Hospital to the Travellers' Bungalow is not desirable and that it is best to make certain additions and alterations to the present District Hospital building at a cost of about Rs 35,000/-.

3. A sub committee of the District Board has since suggested

(vide

(vide copy of its proceedings dated 31st March 1924 enclosed), presumably on the initiative of the Senior Surgeon, the utilization of the Deputy Commissioner's Quarters and compound at Hassan for locating the Civil Hospital. The Senior Surgeon also prefers this site " if funds are available for a new Hospital" The qualification added by the Senior Surgeon to his proposal would seem to rule out that proposition from the field of practical politics, particularly as the Senior Surgeon thinks that a new Hobpital on the modern lines will at least cost a lakh of rupees. I refrain therefore from furnishing any opinion on the consequential proposal of the Senior Surgeon that the Travellers' Bungalow "if suitably renovated will be quite sufficient to the Deputy Commissioner"

4. In the above circumstances, I agree with the opinion of the District Medical Officer and also of the Senior Surgeon as given in his letter dated 31st March 1924 to the President, District Board, Hassan, that it is best to improve the present Hospital and make necessary additions to it.

I have the honor to be,

S i r,

Your most obedient servant,

Deputy Commissioner,

Hassan District.

Letter No.3434 dated 10th March 1924 from the District Medical Officer, Hassan, to the Deputy Commissioner, Hassan District.

With reference to your C.No.976-93/O.C. dated the 13/20th December 1923, I have the honor to state that although the Travellers' Bungalow at Hassan, is centrally situated for the people of the old Town as well as those of the Extension, it will not be quite as suitable for Hospital purposes, in spite of all the necessary alterations and additions as a new structure put up for a Hospital.

But the present Hospital could with alterations and additions be made very suitable; in fact it could be so altered as to utilize the operation theatre to the best advantage possible. But on grounds of sentiment, if the present Hospital has to be given up, there is no alternative but to put up a new structure close to the Travellers' Bungalow, in which case, the present Hospital may very well be used as Fever Hospital which is proposed to be constructed in Santhe Kala.

Deputy Commissioner,

Hassan District.

32

Letter No. 2031-4 dated 12/16th May 1924 from the Senior Surgeon in Mysore, to the Deputy Commissioner, Hassan District.

With reference to your letter No. A.M.C.876-23, dated the 9th instant, calling for my opinion in the matter of shifting the District Hospital at Hassan to the Travellers' Bungalow, I have the honor to forward the enclosed copy of my D.O.No.C.2071-1 dated 31st March 1924, to the President, District Board, Hassan in the matter, and to state that, if funds are available for a new Hospital, the site I should prefer, is the Deputy Commissioner's Bungalow with its large compound instead of the Travellers' Bungalow. The latter building, if suitably renovated will be quite sufficient to the Deputy Commissioner.

A copy of the resolution of the Sub Committee of the District Board is also herein enclosed for your information.

" C O P Y "

Deputy Commissioner,
Hassan District.

Letter No. C.2031-1 dated 31st March 1934 from the Senior Surgeon in Mysore, to the President, District Board, Hassan.

With reference to letter No. C.2071 dated 28th March 1934, from my Personal Assistant, I regret my inability to attend the meeting of the Sub Committee before the Medical School Building is over.

In my opinion, we are wasting our valuable time in merely discussing the question of a new site for a Hospital, when there is no cash available for constructing it. A new hospital on modern lines will at least cost us a lakh of rupees, towards which we have only a sum of Rs. 12,000/- at hand. It is not likely that Government will contribute their quota for a new hospital just now when there is so much of financial stringency.

In the meantime our duty to the people of Hassan necessitates our providing them with adequate medical relief without any further loss of time.

However much I sympathise with your movement for shifting the District Hospital to a central situation to suit the convenience of all the people of Hassan including those in the new extensions, the present moment does not seem to be opportune. We must abide our time.

The only practical solution that suggests itself to me, is to give up the idea of building a new hospital at present, and to improve the present hospital and add to it or these wards to increase the accomodation for general and maternity wards. There is no decent female ward at present. Female patients are treated in two rooms adjoining the dispensary block. A separate ward for eight female patients is enough for the present. There

is

is no accommodation for maternity cases. Another ward with eight beds will meet this requirement. The accommodation for male cases both medical and surgical is not sufficient.

The plan and estimate to meet all these requirements at a cost of Rs. 35,000/- at my suggestion may be accepted by the District Board and the work commenced at once with the sum available at present. The Government have been asked to contribute their quota towards the cost of these alterations and additions When the work is started, there will be no difficulty in getting the necessary funds from Government.

I would therefore advise you to commence the work at once.

The travellers' bungalow buildings are not at all suited for a hospital. The rooms are dirty and dark without any proper ventilation. The five rooms available are not suited for wards or for outpatient work. The site is no doubt central. but new buildings will have to be put up for the combined dispensary, operation theatre, and male and female wards, store rooms, kitchen, post mortem rooms etc. Besides there is not sufficient free space adjoining it for future expansion. All these things will have to be considered before thinking of shifting the present hospital.

My going to Hassan just now will serve no useful purpose beyond repeating all I have said in this letter.

I would therefore request you to reconsider the subject in the light I have put before you and to send me your decision. If my going there is absolutely necessary, I shall make it convenient to visit Hassan after the Medical School Examination is over.

" C O P Y "

Deputy Commissioner,

Hassan District.

Proceedings of the meeting of the Sub Committee of the District Board, to consider the shifting of the Civil Hospital at Hassan from its present place, held in the Divisional Office, Hassan on Monday the 31st March 1924 at 3 P.M.

P r e s e n t.

H.V. Ramaswami, Esq., B.A., L.T., Vice President District Board' (Convenor)

Members present. (Six).

1. Revd. K.A. Slater,
2. Mr. Mahomad Raza,
3. " H. Boramma
4. - B. Suryanarayana Rao, B.A.,
5. The Executive Engineer, Hassan Division.
6. The District Medical Officer, Hassan.

A b s e n t. (Three).

1. Mr. K. Mahadevappa,
2. " S. Venkatesiah, B.A., B.L.,
3. " B. Kappanna Gowda.

1. Shifting of the Civil Hospital at Hassan, from its present place to a suitable place.

Resolution. 1. The Committee is strongly of opinion that the present Civil Hospital building is totally unsuited for the purposes for which it is meant.

2. The Committee is strongly in favour of the proposal of the Senior Inspector, viz: the utilizing of the present Deputy Commissioner's Compound and building as the most suitable for the proposed location of the Civil Hospital buildings.

3. The Committee is unable to suggest any other suitable site for the location of the Hospital.

Sd/ H.V. Ramaswami,
Convenor.

" C O P Y "

Deputy Commissioner,
Hassan District

R.O. No. 120-23 / R-2

Office of the President, District Board,

Hassan, Dated 28th June 1924.

From

N. S. Nanjundiah, Esq.,
President, District Board,
Hassan.

To

B. Nagappa, Esq., Bar-at-Law.,
Secretary to Government of His Highness the Maharaja
of Mysore, Local & Legislative Departments, Bangalore.

THROUGH THE DEPUTY COMMISSIONER, HASSAN DISTRICT.

Sir,

I have the honor to state that a proposition received from Mr. K. Mahadevappa, Distfict Board Member, regarding the shifting of the District Hospital at Hassan. from its present situation to the Travellers' Bungalow before sanctioning of improvements to the present Hospital, was discussed by the Board at their meeting held on 4th Jany. 1924, and the Board resolved unanimously that the Civil Hospital should be removed to some other suitable place. To consider this a Committee consisting of seven members of the Board, the President and Vice President of the Hassan Town Municipal Council and the Revd. A. R. Slater, Hassan, who are not members on the Board was formed.

The Senior Surgeon to the Government of Mysore who was consulted has given his opinion that the Deputy Commissioner's quarte with its extensive compound will suit for the proposed District Hospital and its subsidiary buildings.

The Committee appointed by the Board convened a meeting on the 31st March 24, and were strongly of opinion that the present Civil Hospital building is totally unsuited forthe purpose for which it is meant and that the proposal of the Senior Surgeon re: the utility of the present Deputy Commissioner's compound

and building as the most suitable site for the proposed location of the Civil Hospital building was also accepted

Finally, the proposal came up before the District Board at their meeting held on the 23rd instant and they resolved approving the recommendations of the Committee.

Copies of the resolutions passed in the matter are enclosed.

I have the honor to be,

Sir

Your most obedient servant.

Inch. President,
District Board, Hassan.

12. Proposition of Mr. K. Mahadevappa, District Board Member, re: the shifting of the District Hospital at Hassan from its present position to the Travellers' Bungalow before sanctioning of improvements to the present Hospital.

Seconded by Mr. Nagappaiah.

Mr. E.W.Rutherford opposed the proposition.

The District Medical Officer Mr. Balakrishna Mudliar, is of opinion that it is not suited for a Hospital even after improvements.

Resolution. The Board are unanimously of opinion that the Civil Hospital should be removdd to some other suitable place.

A committee consisting of the following gentlemen will select a suitable place in consultation with the Senior Surgeon:-

1. The District Medical Officer.
2. The Executive Engineer.
3. Mr. H.V.Rangaswami,
4. " K.Mahadevappa
5. " Mohamed Raza
6. " S.Venkatesaiya
7. " B.Kappannagowda
8. The President, Town Municipal Council.
9. The Vice President. " "
10. The Revd. A. R. Slater.

The last three gentlemen who are not members of this Board are to be requested to serve on the committee.

The Vice President of the District Board will be convenor.
